

What is Act-i-Pass?

The ACT-i-Pass is a card that allows all grade 5 students that live or attend school in the City of London the opportunity to access FREE recreation programs throughout their ENTIRE school year. The ACT-i-Pass card grants children (plus one friend, family member, or chaperone) FREE access to many of London's recreation centers and programs, such as indoor sports, skating, swimming, rounds of golf, and other activities.

The purpose of the program is to increase a child's ability to participate in physical activity, which can improve health, lengthen life, decrease illness, reduce screen time, and increase play in their lives!

Partner Engagement

We have partners from across the City who provide free programming to Act-i-Pass users (plus one friend, family member, or chaperone when possible). As a partner you may choose how many programs/activities you are able to offer and they can be offered all year round or seasonally. Partners who participate in the Act-i-Pass program can offer free courses/activities in different ways that fit best with their organization.

Here are examples of different ways organizations can partner with Act-i-Pass:

- Provide free programming at all times to Act-i-Pass users; Act-i-Pass users would show their pass and use the facilities for free
- Provide specific programming for Act-i-Pass users; Only specific programs would be offered for Act-i-Pass users and the users would sign up for the specific programs
- Provide specific day for Act-i-Pass users to be able to use the facilities/program for free (e.g., free drop in on Saturday mornings)

For more information on Act-i-Pass please read the Act-i-Pass Partner Engagement Guide. If your organization is interested in partnering and taking advantage of this great opportunity, or if you have any questions, please contact Danielle Tobin by email dtobin@london.ca or by phone 519-661-2489 ext 2313.

Thank you!
